

Corporate Annual Local's Pass Program

Team Up to Save 15%* on Annual Local's Passes!

Get your team together to purchase 15 or more Annual Passes and save 15% off an already amazing price. With our Corporate Annual Local's Pass, you get 365 days of access to Grouse Mountain while taking advantage of all the excitement that we have to offer. Hit the Grouse Grind in summer, rally the group for a snowshoe trek during the winter, whizz down our Mountain Ziplines to de-stress after a long work week and so much more!

How It Works tilt

To receive the Corporate Annual Pass Discount, a minimum of 15 passes must be purchased in one lump sum. To facilitate, we recommend using Tilt - an easy to use crowd-funding website that makes pooling and tracking funds simple and convenient.*

RALLY: Set the minimum dollar amount** on tilt.com. Your group is only charged once you reach your set goal.

SPREAD THE WORD. The built-in sharing tools on Tilt makes it easy to share details with others. And Tilt automatically reminds them to chip in, so you don't have to.

COLLECT MONEY SAFELY AND SECURELY. Everyone can pay using their credit or debit card. Tilt's bank-grade security systems keep everyone's information and money-safe.

KEEP TRACK OF WHO HAS PAID. Using Tilt, you can see who has and hasn't paid and easily send reminders to those who haven't, saving you the hassle of updating spreadsheets and chasing down stragglers.

WITHDRAW YOUR FUNDS IN 1-2 BUSINESS DAYS.

Once you reach the minimum amount, you can withdraw funds immediately and purchase the passes.

* Rates are only valid on adult passes until April 30, 2017.

Partners and spouses who share the same address are also eligible.

**Grouse Mountain Resorts provides information related to the "Tilt" crowd-funding app as a service to its customers but has no role, liability or responsibility with respect to the collection and payment of funds.
