How It Works

Five-day Snow Packs must be purchased in one lump sum. To facilitate, we recommend using Tilt - an easy to use crowdfunding website that makes pooling and tracking funds simple and convenient.*

- 1 Set the minimum dollar amount** on tilt.com**
Your group is only charged once you reach your set goal.
- 2 Spread the word.**
The built-in sharing tools on Tilt makes it easy to share details with others. And Tilt automatically reminds them to chip in, so you don't have to.
- 3 Collect money safely and securely.**
Everyone can pay using their credit or debit card. Tilt's bank-grade security systems keep everyone's information and money-safe.

Come join us this season and enjoy gladed runs, our new natural feature-focused park, enhanced Light Walk and so much more.
