How It Works

Lift passes must be purchased in one lump sum. To facilitate, we recommend using Tilt - an easy to use crowdfunding website that makes pooling and tracking funds simple and convenient.*

- 1 Set the minimum dollar amount** on tilt.com.** Your group is only charged once you reach your set goal.
- 2 Spread the word.** The built-in sharing tools on Tilt makes it easy to share details with others. And Tilt automatically reminds them to chip in, so you don't have to.
- 3 Collect money safely and securely.** Everyone can pay using their credit or debit card. Tilt's bank-grade security systems keep everyone's information and money-safe.

- 4 Keep track of who has paid.** Using Tilt, you can see who has and hasn't paid and easily send reminders to those who haven't, saving you the hassle of updating spreadsheets and chasing down stragglers.
- 5 Withdraw your Funds in 1-2 business days.** Once you reach the minimum amount, you can withdraw funds immediately and purchase the passes.

* Grouse Mountain Resorts provides information related to the "Tilt" crowdfunding app as a service to its customers but has no role, liability or responsibility with respect to the collection and payment of funds.

** To be eligible for the discount, 15 adult lift passes or the dollar equivalent of \$915 must be reached.
